LUGGAGE TAG INSTRUCTIONS

- Be sure to attach any personal ID, such as a name tag to each piece of luggage before you leave home.
- Do not pack valuables or your boarding documents in your checked luggage.
- Make as many copies of this tag as you require, preferably printed in colour.
- Fold (do not cut) along the dotted lines with the luggage tag print facing out (you should be able to read the ship name and see the company logo).
- After folding is completed, staple twice or tape the tag around the luggage handle..
